- Plans are being considered for the construction this year of a 15 kilometer long irrigation canal which is scheduled to link the Danube with the "Belje" State Farm near Osijek in Slavonia. The "Belje" State Farm is one of the largest in Yugoslavia.

Comment: This is an estate taken over by the Yugoslav Government in 1919 and is now established as an industrial (lumber and farming) unit.)

50X1-HUM

- A plan is being considered for rendering the Sava River navigable between Zagreb and Sisak. Plans are also under consideration for creating a river port at Zagreb.
